YEARBOOK STAFF

A very special thanks to this group of seniors that spent the year dedicated to making this yearbook for their class and school to enjoy and remember. It takes a staff of editors that are willing to work together - collaborately, tirelessly and efficiently. This group showed that they were able to set the bar high while enjoying one another. Each day they would first "debrief" before class began. Next they settled into business using their creative energy. This yearbook staff worked hard to the very end. We had lots of laughs as I watched new friendships grow. I wish them all the best in the future where there is no doubt their accomplishments will be amazing. They will be missed!
Love- Ms H

My Wish

"I hope the days come easy and the moments pass slow, each road leads you where you want to go. If you're faced with a choice, and you have to choose, I hope you choose the one that means the most to you. If one door opens to another door closed, I hope you keep on walkin' till you find the window. If it's cold outside, show the world the warmth of your smile. I hope you never look back, but you never forget, all the ones who love you, in the place you live, I hope you always forgive, and you never regret, and you help somebody every chance you get. Find God's grace in every mistake, and always give more than you take. But more than anything, my wish for you is that life becomes all that you want it to. Your dreams stay big, your worries stay small. You never need to carry more than you can hold. And while you're out there getting where you're getting to, I hope you know somebody loves you, and wants the same things too." (Rascal Flatts)

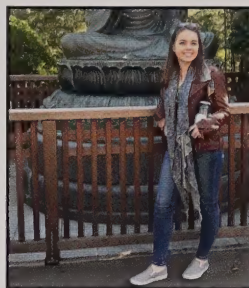

Love, Mom and Dad

You were so small when you arrived, so tiny we wondered how you would survive.

But right from the first minute, you were so strong. Figuring out you would be OK didn't take long.

More than OK, you were amazing from the start. A small chip on your shoulder, tempered by a big heart.

Always persuing what mattered and what was true. Activities and friends, you made an impact and discovered a great crew.

Your just getting started a special life you will live. With that chip and your heart, you have so much to give.

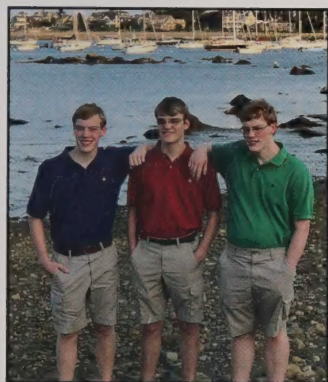

Here at home we will watch with an enduring pride. Always ready if needed, to be at your side.

Love always,

Mom, Dad, Collin and Danielle
